After completing the Specimen Question Paper or any past papers, look at the marking instructions as these often contain course content and they will help you to improve your exam technique. National 5 Past Papers differ from the past papers listed below. Ensure that you familiarise yourself with the 2014 and 2015 past papers and the Specimen papers: these are what your exams will look like.

### Pre-National 5 Past Papers

For direct links to past papers, click on the year (ie click on '2013') in the table below where you will find questions relevant to the different topics within National 5 Graphic Communication. Please note that you need to identify and revise all of your topics. Some topics may be new for National 5 and therefore do not have past questions.
