

Industry Awareness

26th - 28th June

OPITO's Industry Awareness events aim to provide senior school pupils from across Aberdeen, Aberdeenshire and Moray with an inside look into the innovative world of energy. Pupils with a vested interest in energy are invited to engage and interact with a host of companies over the three-day event and find out first-hand the opportunities available as well as gain further industry knowledge.

You will have the opportunity to...

Find out directly about the range of roles available and the various career routes including apprenticeships

Find out first-hand about the range of opportunities available within the sector by engaging directly with industry professionals from a variety of backgrounds

Learn about the innovative industry and how we are continuing to discover new ways to operate

All applications must be received by 8th June 2018

Please return all completed application forms to events@opito.com

or alternatively please post to:

Jessie Gordon, OPITO, Minerva House, Bruntland Road, Portlethen, AB12 4QL
