

SCHOLAR

FAO: SENIOR PHASE PUPILS

From today, any student, teacher or lecturer registered with SCHOLAR can access all of our SCHOLAR online content, bringing them 37 complete SQA NQ courses, with support materials available for a further four qualifications.

The screenshot shows the 'My SCHOLAR' dashboard. At the top, there is a navigation bar with 'My SCHOLAR', 'Planner', 'Reports', and 'Passwords'. A search bar and 'Logout' link are on the right. The main content area is titled 'My SCHOLAR' and features a 'Welcome' message. A 'Revision Today' section shows 'None'. An 'Information' section lists 'Online Tutor Sessions', 'Technical Requirements', and 'Be safe on the internet'. A 'SCHOLAR News' banner for 'Online Tutor Sessions 02 - 03 March 2020' is present. Below, there are two lists of courses: 'You are currently enrolled on the following 3 courses:' (National 5 Physics, Higher Biology, Higher English) and 'The following 3 courses have also been made available:' (National 5 Biology, National 5 English, Higher Human Biology). A 'Display other courses' toggle is circled in red at the bottom right of the main content area.

The new “Display other courses” toggle at the bottom of the welcome screen provides guest access to all of our courses.

Any Senior Phase pupil unable to access Scholar should contact their PTPS or class teacher through the appropriate google class.
