If you have studied a Foundation Apprenticeship you will already be aware that you can continue this into a Modern Apprenticeship.

With a Modern Apprenticeship you learn on the job, and get the experience you need. Plus, you work towards a qualification. Whether you're thinking about the future, job hunting, or want to learn new skills, a Modern Apprenticeship could be for you.

# Employment

You may wish to go straight into a paid job when you leave. There are lots of ways you can find jobs.

You can often find jobs advertised in school via the Careers Advisors/ PSE boards.

You will need to have an up to date CV to apply for most jobs, you will find guidance on this in the materials. You can get support from your PTPS too.
