S1 Skills Icon Competition

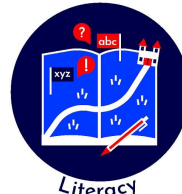

S1 pupils were asked to create these icons for different skills they will learn during their time at School.

The icons will be used across the school to highlight when these skills are being practiced in their various subjects.

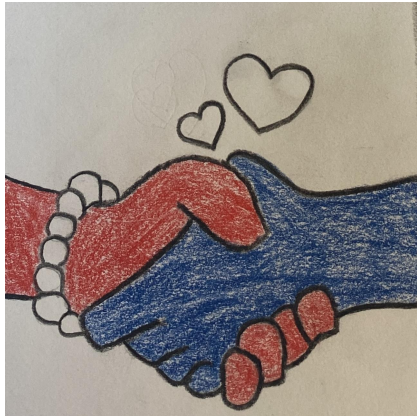

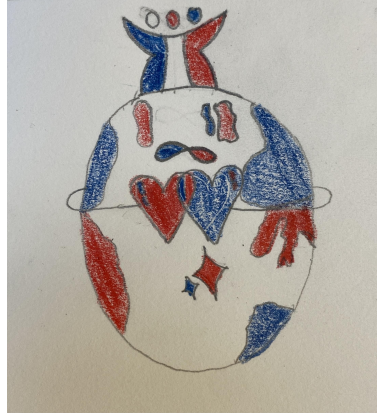

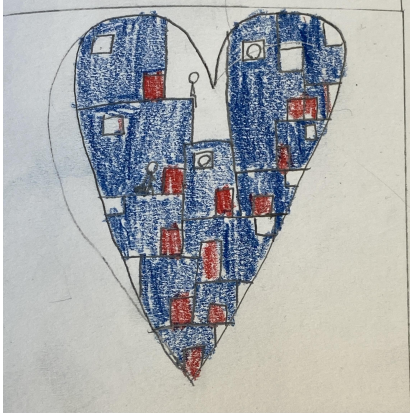

This project was skillfully developed by our PGDE student Miss E Scott (graduate of Gray's School of Art) as a visual communication competition across S1 Art classes, and we are delighted to share the finalists impressive results with you...

Well done to everyone who took
part and Congratulations to the
winners
