At Aberdeen Grammar School, we offer The Junior Award Scheme for Schools (JASS) and The Duke of Edinburgh Award (DofE) as a continuous wider achievement programme for all pupils in S1-S6.

Through the four awards on offer, the programme allows young people have fun, make friends, improve their self-esteem and build confidence. They gain essential skills and attributes for work and life such as resilience, problem-solving, team-working, communication and drive, enhancing CVs and university and job applications. Top employers recognise the work-ready skills Award holders bring to their business.
