

Aberdeen Grammar Parent Council

The Aberdeen Grammar Parent Council would like to welcome you and your family to Aberdeen Grammar School. You will have many opportunities to become involved in school life over the coming years and joining the Parent Council and/or our mailing list are options we hope you will consider.

What we do

Like all Parent Councils in Scotland, our main functions are:

- To support the school in its work with pupils and parents
- To represent the views of parents.
- To promote contact and communication between the school, parents, pupils, the community and other providers
- To report to the parent forum.

Our achievements include

- Working with the school community to improve the social areas within the school
- Helping the school to shape improvement planning
- Providing display boards for parent information events
- Arranging for guest speakers to cover topics of interest to parents at our meetings
- Providing representations at city wide Parent Council events
- Funding the School App for Parents

Getting involved

As the parent/carer of a pupil at the school, you can volunteer to join the Parent Council by attending one of our meetings. The most popular time to join is at our AGM in September. If you don't want to become a member but wish to be involved, please feel free to join our meetings when you see an agenda item that interests you.
